

Justifide, As It Feels Good

So much time I've spent, the sleepless nights of
Guessing what would become of me and you,
And I'm wondering what your next move would be

And I don't know how long you want to decide if you want me or not
It seems that you could make me wait forever, and I don't have forever,
Cuz you've had the time, so please hurry and make up your mind,
Please tell me that this waiting hasn't been a waste of time

CHORUS:

And I can't wait for you anymore, to come around
And you ran from me when I needed you the most
Love hurts as bad as it feels good

And now it hurts me to move on,
But if I don't I'll just go crazy, crazy!
Cuz you've got me so wrapped up in you
And I'm running out of options, I don't know what to do,
I don't know what to do, I wish I knew, I wish I knew

CHORUS:

And I can't wait for you anymore, to come around
And you ran from me when I needed you the most
Love hurts as bad as it feels good

As it feels good (3X)

And I'm waiting for you no more (4X)

CHORUS:

And I can't wait for you anymore, to come around
And you ran from me when I needed you the most
Love hurts as bad as it feels good
