Justin Bieber, All in It

Don't do nothin' 'less your heart's in it
Heart's in it, heart's in it
Don't do nothin' 'less you're all in it
All in it, all in it

If you got a twenty for all of your tries
Twenty for all of the times
The times you got back up, woah
Could be a billionaire in a year
That's how you gotta think 'til you're there
On the regular

If you had a diamond for all of your passion
Diamond for your dedication
You could be icy like caking
Icy for every occasion
Gotta go hard, yeah
That's all I'm condoning
Love is a component
You're the only opponent
Gotta seize the moment

And don't do nothin' 'less your heart's in it
Heart's in it, heart's in it
Don't do nothin' 'less you're all in it
All in it, all in it
Come again each time
'Til the water runs dry
Oh don't do nothin' 'less you're all in it
All in it, all in it

Oh, oh
Oh
Oh, oh, oh

If I had a guitar missing 5 strings
A guitar with only one string
I could only play one song, ooh
A simple melody
Simple enough to make the world sing
Strong enough to make your mood swing
You know what I mean

If you had a diamond for all of your passion
Diamond for your dedication
You could be icy like caking
Icy for every occasion
Gotta go hard, yeah
That's all I'm condoning
Love is a component
You're the only opponent
Gotta seize the moment

And don't do nothin' 'less your heart's in it
Heart's in it, heart's in it
Don't do nothin' 'less you're all in it
All in it, all in it
Come again each time
'Til the water runs dry
Don't do nothin' 'less you're all in it
All in it, all in it

Oh, oh
Oh

Oh, oh, oh
All in it, all in it

See, growing up,
I always felt like I had to be the best at everything
Cause I, I just didn't think I was good enough
And, and maybe if I was good at something that I'd get recognition from that but
I quickly found out that I wasn't gonna get the recognition that I wanted or that I needed because
Because people aren't perfect and by not being perfect you sometimes can disappoint people
And with God it's like he's perfect
And he never disappoints
So I just get my recognition from him
And give him recognition
