

Justin Bieber, All That Matters

Uh-oh, just as sure as the stars in the sky
I need you to shine in the light
Not just for the meanwhile, for a long long time, better believe it

Uh-oh, whenever you're not in my presence
It feels like I'm missing my blessings, yeah
So I sleep through the daylight, stay awake all night
Till you back again, yeah, yeah

You think I'm biased
Too much I never get over
You hit it right on the head
Only been missing my lover

Got a whole lot of texts in my phone and I don't reply
But the next day bothers you, I

You're all that matters to me
Yeah yeah, ain't worry about nobody else
If it ain't you, I ain't myself
You make me complete
You're all that matters to me

Yeah, yeah, what's a king bed without a queen
There ain't no ?I? in team
You make me complete
You're all that matters to me

Take the keys out the car it won't drive
That's how I feel when you're not by my side
When I wake up in the morning up under you, and only you

Uh-oh, I'm grateful for your existence
Faithful no matter the distance
You're the only girl I see
From the bottom of my heart please believe

You're all that matters to me
Yeah yeah, ain't worry about nobody else
If it ain't you, I ain't myself
You make me complete
You're all that matters to me

Yeah, yeah, what's a king bed without a queen
There ain't no ?I? in team
You make me complete
You're all that matters to me

Yeah, yeah, yeah, yeah
You're all that matters to me
Yeah, yeah, yeah, yeah
You're all that matters to me
