

# Justin Bieber, Down To Earth

I never thought that it be easy  
Cause we both so distance now  
And the walls are closing in on us  
And we're wondering how  
No one has a solid answer  
But just walking in the dark  
And you can see the look on my face  
It just tells me apart

So we fight (so we fight) through the hurt (through the hurt)  
And we cry (and cry and cry and cry)  
And we live (and we live) and we learn (and we learn)  
And we try and try and try and try

So it's up to you and it's up to me  
That we meet in the middle  
On our way back down to earth  
Down to earth down to earth  
On our way back down to earth  
(back down to earth x8)

Mommy you were always somewhere  
And daddy I live outta town  
So tell me how could I ever be normal somehow  
You tell me this is for the best  
So tell me why am I in tears  
So far away and now I just need you here

So we fight (so we fight) through the hurt (through the hurt)  
And we cry (and cry and cry and cry)  
And we live (and we live) and we learn (and we learn)  
And we try and try and try and try

So it's up to you and it's up to me  
That we meet in the middle  
On our way back down to earth  
Down to earth down to earth  
On our way back down to earth  
(back down to earth x8)

We fell so far away from where we used to be  
Now we're standing and where do we go  
When there's no road to get to your heart  
Let's start over again

So it's up to you and it's up to me  
That we meet in the middle  
On our way back down to earth  
Down to earth down to earth  
On our way back down to earth  
(back down to earth x8)

I never thought that it be easy  
Cause we both so distance now  
And the walls are closing in on us  
And we're wondering how
