

# Justin Bieber, Heartbreaker

Girl you don't know how I feel  
Since you been away oh baby  
Any chance that you could take my call?  
If I called you today  
You say that you don't wanna talk but it's cool  
Been thinkin' about you all day long, hopin you'll pick up your phone  
And I know that I don't wanna lose your love oh baby, oh baby  
Oh girl I got a secret place that we can go  
Cuz I really wanna be alone  
Baby nobody else gotta know  
Just meet me later on alone

Don't tell me you're my heartbreaker  
Cuz girl my heart's breaking  
Don't tell me you're my heartbreaker  
Cuz girl my heart's breaking (heartbreaker)

Hey girl  
Girl you see me standing here, standing in the rain oh baby  
Any chance that you could stay right here?  
And never go away?  
You say that you don't wanna talk but it's cool  
Been thinkin' about you all day long, hopin you'll pick up your phone  
And I know that I don't wanna lose your love oh baby, oh baby  
Oh girl I got a secret place that we can go  
Cuz I really wanna be alone  
Baby nobody else gotta know  
Just meet me later on alone

Don't tell me you're my heartbreaker  
Cuz girl my heart's breaking  
Don't tell me you're my heartbreaker  
Cuz girl my heart's breaking (heart is breaking)

So what I'm really tryin to say is, and what I hope you understand  
Is despite all the imperfections of who I am I still wanna be your man  
I know it hasn't been easy for us to talk with everyone being around,  
But this is.. this is personal, this is for me and you  
And I want you to know that I still love you  
And I know the seasons may change,  
But sometimes love goes from sunshine to rain  
But I'm under this umbrella and I'm calling your name  
And you know I don't wanna lose that  
I still believe in us  
I still believe in love  
I still believe in us  
I hope you believe in love  
The way I believe in us.  
You don't see, is what you don't see, is when I don't sleep, I wanna talk to ya  
And if I had the world in my hands I'd give it all to ya  
I wanna know if you feelin' the way that I'm feelin'  
I wanna know if you feelin'.. the way that I, the way that i  
You told me to be careful with your heart, your heart  
You told me to be careful with your heart, your heart  
Be careful with your heart
