Justin Bieber, Life Is Worth Living

Ended up on a crossroad Tried to figure out which way to go It's like you're stuck on a treadmill Running in the same place You got your hazard lights on now Hoping that somebody would slow down Praying for a miracle Ooh show you grace Had a couple dollars and a quarter tank of gas With a long journey ahead Seen a truck pull over God sent an angel to help you out He gave you direction Showed you how to read a map For the long journey ahead Said it ain't over Oh, even in the midst of doubt

Life is worth living Life is worth living, so live another day The meaning of forgiveness People make mistakes, doesn't mean you have to give in Life is worth living again

Relationship on a ski slope Avalanche comin' down slow Do we have enough time to salvage this love? Feels like a blizzard in April Cause my heart, it's just that cold Skating on thin ice But it's strong enough to hold us up Seen her scream and holler Put us both on blast Tearing each other down When I thought it was over God sent in an angel to help us out He gave us direction, showed us how to make it last For that long journey ahead Said it ain't ever over Oh, even in the midst of doubt

Life is worth living
Life is worth living, so live another day
The meaning of forgiveness
People make mistakes, doesn't mean you have to give in
Life is worth living again
Life is worth living again

What I get from my reflection Is a difference in perception? From what the world may see They tried to crucify me I ain't perfect, won't deny My reputation's on the line So I'm working on a better me

Life is worth living
Life is worth living, so live another day
The meaning of forgiveness
People make mistakes
Only God can judge me
Life is worth living again
Another day
Life is worth living again
