

# Justin Bieber, Nothing Like Us (feat. Rascal Flatts)

Lately I've been thinking, thinking about what we had  
And I know it was hard, it was all that we knew, yeah  
Have you been drinking, to take all the pain away?  
I wish that I could give you what you deserve  
Cause nothing can ever, ever replace you  
Nothing can make me feel like you do, yeah  
You know there's no one, I can relate to  
I know we won't find a love that's so true

There's nothing like us  
There's nothing like you and me  
Together through the storm  
There's nothing like us  
There's nothing like you and me together

I gave you everything baby  
Well, everything I had to give  
Girl, why would you push me away?  
Lost in confusion, like an illusion  
You know I'm used to making your day  
But that is the past now, we didn't last now  
I guess that this is meant to be  
Tell me, was it worth it? We were so perfect  
But baby I just want you to see

There's nothing like us  
There's nothing like you and me  
Together through the storm  
There's nothing like us  
There's nothing like you and me together..  
There's nothing like us  
There's nothing like you and me  
Together through the storm  
There's nothing like us  
There's nothing like you and me together..oh
