

Justin Bieber, We Were Born For This

Look at all the choices
The choices in this World
World spreading no freedom
Freedom for the boys and the girls

But the boys and the girls
They don't know
What love is like...
Love is like appreciation
Mixed in a double cup of sprite

So can we go?
No left or right
You go your way and I'll go mine

'Cuz this is my time
And I won't waste it thinking about what you gotta say
'Cuz I'm here to stay
/2x

Look at all the places
Places that I've been
It doesn't come easy
You gotta have strength
And when it goes down
And it's all said and done
You gotta stand up to them
There's no need to run and now that I've made it
I won't look back no
Sacrifice what meant the most to me, the most to me
Yes, I did

'Cuz this is my time
And I won't waste it thinking about what you gotta say
'Cuz I'm here to stay

Look at all the people standing outside
So dedicated
Your love doesn't go unrecognized
Your love doesn't go unrecognized
