

Justin Guarini, How Will You Know

FIRST VERSE:

I always told you
You were the only one in my life
I always hoped you
You'd be that special love here by my side
I know you're wonderin' if I'm really feelin' you
Well baby I do

CHORUS:

How will you know if I love you for life (how will you know?)
Girl you will know when you look in my eyes (just look in my eyes baby)
I could never hurt you
I would never break your heart (I'd never break your heart)
And I'll love you till the day that I die
Gonna love you for life

Love you for life

SECOND VERSE:

I wanna tell you
You are my everything
You complete me baby
Girl I wanna tell you
That I don't need anything when you're lovin' me
So girl don't worry cause I'm really feelin' you
Nobody but you

CHORUS

BRIDGE:

Oh girl it's coming from the bottom of my heart
I'm feelin' you with all of my soul
And it's like something I never felt before
I love you more than you know

CHORUS

Love you for life
