

# Justin Timberlake, Don't Hold The Wall

Dance!  
Don't hold the wall  
Dance!  
Don't, don't, don't hold the wall  
Dance, dance!  
Don't hold the wall  
Dance, dance, dance!  
Don't hold the wall

C'mon, on the floor with them legs,  
Was getting down but now I get up,  
Cause I heard you tell your girlfriend that I deserve better,  
Well, I think you look better  
But you're so far, I had to come get you

Take you to the light,  
It's dark in the back  
You started moving,  
You put an arch in your back  
Closer to me, closer to me  
Sippin' your drink and you're getting closer to me  
Dance in the light,  
Starting to see,  
You started moving,  
You're getting closer to me  
And now you won't even let me go

So baby hold up  
Dance!  
Don't hold the wall  
They go!  
Dance!  
Don't, don't, don't hold the wall  
Dance, dance!  
Don't hold the wall  
Dance, dance, dance!  
Don't hold the wall

I think I heard what you said  
He's not what you thought and you're fed up  
I heard your girlfriend tell you, you could do better,  
Well, I'm the best ever!  
But you're so far, I had to come get your raging
