

Justin Timberlake, Good Foot

(feat. Timbaland)

Hey Timbo

Yeah

Dont you hate it when a dude starts actin up
Like this fella over here with his hands on the scuff
Be muggin and carryin on

Hey JT

Yeah

Why these dudes keep starin at us
I dunno but Ima bout to find out wassup
Be easy dont take it to rough
Talk to 'em

Im not being cocky

I just noticed that she was looking at me

Chill homeboy be cool

Cause there aint no reason for all that fussin at me

Its just gettin started

And theres a lot of fish around

here just shakin they jelly

I ain't tryin to be rude dude but we tryin to tear up the place come on

There aint nothing to it

If you wanna get down then we can do it-do it

There aint nothing to it

Get out your seat

Why

You aint glued to it

Be easy and watch that--tone

Keep stepping with your new suede shoes--on

Boys and girls lets all sing along

Now everybody just get on the good foot

Get on the good foot

Now, how am I supposed to know that she's yours

She aint got no ring on her finger

It aint our fault homeboy that your girl likes to wonder and linger

Your actin so serious

We just danced I aint even ask for her number

Dont be mad cause we the life of the party we aint tryin to hurt nobody talk to 'em

Im not being cocky

I just noticed that she was looking at me

Chill homeboy be cool

Cause there aint no reason for all that fussin at me

Its just gettin started

And theres a lot of fish around

here just shakin they jelly

I aint tryin to be rude dude but we tryin to tear up the place Come on

There aint nothing to it

If you wanna get down then we can do it-do it

There aint nothing to it

Get out your seat

Why

You aint glued to it

Be easy and watch that--tone

Keep stepping with your new suede shoes--on

Boys and girls lets all sing along

Now everybody just get on the good foot

Get on the good foot

If you keep on pressin at me
(That dont bother me none)
Cause I see every fish in the sea
(Ima get the baddest one)
You take yourself so seriously
(But you dont impress me none)

Dont be alarmed boy..we came to do no harm boy
Talk to 'em

Im not being cocky
I just noticed that she was looking at me
Chill homeboy be cool
Cause there aint no reason for all that fussin at me
Its just gettin started
And theres a lot of fish around
here just shakin they jelly
I aint tryin to be rude dude but we tryin to tear up the place Come on

There aint nothing to it
If you wanna get down then we can do it-do it
There aint nothing to it
Get out your seat
Why
You aint glued to it
Be easy and watch that--tone
