Justin Timberlake, Like I Love You (Basement Ja

Just somethin' about you
The way I'm lookin' at you, whatever
You keep lookin at me
Gettin' scared now, right
Don't fear me baby, its just Justin
It feel good right, listen

I kinda notice from one eye, In the club your frown face, It's kinda weird to me, since you're so fine If it's up to me your face'll change

If you smile then that should set the tone
Just be limber
And if you let go the music should move your bones
Just remember
Sing this song with me

Can't nobody love ya like I love ya You're a good girl and that's what makes me trust ya (Hey) Late at night I talk to you You will know the difference when I touch ya

Some people are so phony Nosy cause they lonely Aren't you sick of the same thing They say so and so is datin' Love you or they're hatin' When it doesn't matter anyway Cos we're here tonight

If you smile then that should set the tone
Just be limber baby
And if you let go the music should move your bones
Baby, just remember
Sing this song with me

Can't nobody love ya like I love ya You're a good girl and that's what makes me trust ya (Hey) Late at night I talk to you You will know the difference when I touch ya

You know I could make you happy I could change your life If you give me that chance to be your man I won't let you down baby

If you give me that chance to be your man Here baby, hold my jacket

And then...

Yeah

Maybe we'll fly the night away (I just want to love you baby, yeah, yeah, yeah) Girl Maybe we'll fly the night away (I just wanna love ya baby) Girl....

(Pusha T)
Ma' whatcha wanna do?
I'm in front of you
Grab a friend, see I can have fun with two
Or me and you put on a stage show

And the mall kids, that's how to change low Point to her they say 'Wow, it's the same glow' Point to me I say 'Yea, it's the same dough' We the same type, you my air of life You have me sleepin' in the same bed er'night

Go rock with me, you deservin' the best Take a few shots
Let it burn in your chest
We could ride down
Pumpin' N.E.R.D in the deck
Funny how a few words turn into sex
(I just love your....brain..)
Play number three, Joint called 'Brain'
Ma, take a hint
Make a swerve in the lane
The name Malicious
And I burn every track
Clipse and J Timberlake
Now how heavy is that?

I just wanna love ya baby, yeah, yeah, yeah I just wanna love ya baby, girl...

(Break it down)

You know I used to dream about this when I was a little boy I never thought it would end up this way Drums.
