

# Justin Timberlake, Mirrors

Aren't you somethin' to admire, cause your shine is somethin' like a mirror  
And I can't help but notice, you reflect in this heart of mine  
If you ever feel alone and the glare makes me hard to find  
Just know that I'm always peering out on the other side

Cause with your hand in my hand and a pocket full of soap  
I can tell you there's no place we couldn't go  
Just put your hand on the past, I'm here tryin' to pull you through  
You just gotta be strong

Cause I don't wanna lose you now  
I'm lookin' right at the other half of me  
The biggest ? in my heart  
There's a space, but now you're home  
Show me how to fight for now  
And I'll tell you baby, it was easy  
Comin' back into you once I figured it out  
You were right here all along  
It's like you're my mirror  
My mirror staring back at me  
I couldn't get any bigger  
With anyone else beside of me  
And now it's clear as this promise  
That we're making two reflections into one  
Cause it's like you're my mirror  
My mirror staring back at me, staring back at me

Aren't you somethin', an original, cause it doesn't seem relly to sample  
And I can't help but stare cause I see truth somewhere in your eyes  
I can't ever change without you, you reflect me, I love that about you  
And if I could, I would look at us all the time

Cause with your hand in my hand and a pocket full of soap  
I can tell you there's no place we couldn't go  
Just put your hand on the past, I'm here tryin' to pull you through  
You just gotta be strong

Cause I don't wanna lose you now  
I'm lookin' right at the other half of me  
The biggest ? in my heart  
There's a space, but now you're home  
Show me how to fight for now  
And I'll tell you baby, it was easy  
Comin' back into you once I figured it out  
You were right here all along  
It's like you're my mirror  
My mirror staring back at me  
I couldn't get any bigger  
With anyone else beside of me  
And now it's clear as this promise  
That we're making two reflections into one  
Cause it's like you're my mirror  
My mirror staring back at me, staring back at me

Yesterday is history  
Tomorrow's a mystery  
I can see you lookin' back at me  
Keep your eyes on me  
Baby, keep your eyes on me

Cause I don't wanna lose you now  
I'm lookin' right at the other half of me  
The biggest ? in my heart  
There's a space, but now you're home

Show me how to fight for now  
And I'll tell you baby, it was easy

It's like you're my mirror  
My mirror staring back at me  
I couldn't get any bigger  
With anyone else beside of me  
And now it's clear as this promise  
That we're making two reflections into one  
Cause it's like you're my mirror  
My mirror staring back at me, staring back at me

Baby you're the inspiration for this precious song  
And I just wanna see your face light up since you put me on  
So now I say goodbye to the old me, it's already gone  
And I can't wait wait wait wait wait to get you home  
Just to let you know, you are
