## Justin Timberlake, Rock Your Body (Video Versic

Don't be so quick to walk away Dance with me I wanna rock your body, please stay Dance with me You don't have to admit you, wanna play Dance with me Just let me rock you, 'til the break of day Dance with me

Got time, but I don't mind Just wanna rock you girl I'll have whatever you have Come on, let's give it a whirl See I've been watching you I like the way you move So go ahead and girl just do That ass shaking thing you do

So you grab your girls And you grab a couple more And you all come meet me In the middle of the floor Said the air is thick, it's smelling right So you pass to the left then you sail to the right

Don't be so quick to walk away Dance with me I wanna rock your body, please stay Dance with me You don't have to admit you, wanna play Dance with me Just let me rock you, 'til the break of day Dance with me

I don't mean no harm Just wanna rock you girl You can move, but be calm Let's go, let's give it a whirl See it appears to me You like the way I move I'll tell you what I'm gonna do Pull you close and share my groove

So you grab your girls And you grab a couple more And you all can meet me In the middle of the floor Said the air is thick, it's smelling right So you pass to the left then you sail to the right

Don't be so quick to walk away Dance with me I wanna rock your body, please stay Dance with me You don't have to admit you wanna play Dance with me Just let me rock you Till the break of day Dance with me

Talk to me boy No disrespect, I don't mean no harm Talk to me boy But I can't wait to have you in my arms Talk to me boy Hurry up 'cause you're taking too long Talk to me boy Bet I'll have you naked by the end of this song

So what did you come for? I came to dance with you And you know that you don't want to hit the floor I need some romance with you You're searching for love forever more And I'll take a chance If love is here on the floor, girl
