

Justin Timberlake, What goes around

Hey Girl

Is he everything you wanted in a man?

You know I gave you the world

You had me in the palm of your hand

So why your love went away

I just can't seem to understand

Thought it was me and you, baby

Me and you until the end

But I guess I was wrong

Don't wanna think about it(uh)

Don't wanna talk about it(uh)

I'm just so sick about it

I can't believe it's ending this way

Just so confused about it(uh)

Feeling the blues about it(yeah)

I just can't do without ya

Tell me is this fair

Is the way it's really going down?

Is this how we say goodbye?

Shoulda known better when you came around

That you were gonna make me cry

It's breaking my heart to watch you run around

Cause I know that you're living a lie

But that's ok, baby, cause in time you will find

What goes around, goes around, goes around, don't go away, back around

What goes around, goes around, goes around, don't go away, back around

What goes around, goes around, goes around, don't go away, back around

What goes around, goes around, goes around, don't go away, back around

Yeah

Now Girl

I remember everything that you claimed

You said that you were moving on now(on now)

Maybe I should do the same(maybe I should do the same)

The funny thing about that is

I was ready to give you my name

Thought it was me and you baby(baby)

And now, it's all just a shame

That I guess I was wrong

Don't wanna think about it(no)

Don't wanna talk about it(hm)

I'm just so sick about it

I can't believe it's ending this way

Just so confused about it(uh)

Feeling the blues about it(yeah)

I just can't do without ya

Can you tell me is this fair

Is the way it's really going down?

Is this how we say goodbye?

Shoulda known better when you came around

That you were gonna make me cry

Now it's breaking my heart to watch you run around

Cause I know that you're living a lie

But that's ok, baby, cause in time you will find

What goes around, goes around, goes around, don't go away, back around

What goes around, goes around, goes around, don't go away, back around

What goes around, goes around, goes around, don't go away, back around

What goes around, goes around, goes around, don't go away, back around

Yeah

What goes around comes around

Yeahhh

What goes around comes around

You should know that

What goes around comes around

Yeahhh

What goes around comes around
You should know that
Don't wanna think about it(no)
Don't wanna talk about it(hm)
I'm just so sick about it
I can't believe it's ending this way
Just so confused about it(uh)
Feeling the blues about it(yeah)
I just can't do without ya
Tell me is this fair
Is the way it's really going down?
Is this how we say goodbye?
Shoulda known better when you came around(shoulda known better)
That you were gonna make me cry
It's breaking my heart to watch you run around(now it's breaking my heart)
Cause I know that you're living a lie
But that's ok, baby, cause in time you will find
What goes around, goes around, goes around, don't go away, back around
(what goes around comes around, baby)
What goes around, goes around, goes around, don't go away, back around
(what goes around comes around, baby)
What goes around, goes around, goes around, don't go away, back around
What goes around, goes around, goes around, don't go away, back around
Yeah
Yup
Yup
Yup(let me paint this picture for ya, baby)
Yup
You spend your nights alone
And he never comes home
And everytime you call him, all you get is a busy tone
I heard you found out
That he's doing to you
What you did to me
Ain't that the way it goes
When you cheated, girl
My heart bled, girl
So it go without saying that should let the feeling hurt
Just a classic case scenario
Tell is always time
Girl, you got what you deserved
And now you want somebody
To cure the lonely nights
You wish you had somebody
That could come and make it right
But girl, I ain't somebody
I'm out of sympathy
See..
What goes around comes back around
I thought I told ya
Hey(hey)
What goes around comes back around
I thought I told ya
Hey(hey)
What goes around comes back around
I thought I told ya
Hey(hey)
What goes around comes back around
I thought I told ya
Hey(hey)
Take it to em, J
Hey, hey, hey, hey(repeatedly till the end)
Haha
See
You shoulda listened to me, baby

Take it to em, J
