

# Justin Timberlake, What goes around

Hey Girl

Is he everything you wanted in a man?

You know I gave you the world

You had me in the palm of your hand

So why your love went away

I just can't seem to understand

Thought it was me and you, baby

Me and you until the end

But I guess I was wrong

Don't wanna think about it(uh)

Don't wanna talk about it(uh)

I'm just so sick about it

I can't believe it's ending this way

Just so confused about it(uh)

Feeling the blues about it(yeah)

I just can't do without ya

Tell me is this fair

Is the way it's really going down?

Is this how we say goodbye?

Shoulda known better when you came around

That you were gonna make me cry

It's breaking my heart to watch you run around

Cause I know that you're living a lie

But that's ok, baby, cause in time you will find

What goes around, goes around, goes around, don't go away, back around

What goes around, goes around, goes around, don't go away, back around

What goes around, goes around, goes around, don't go away, back around

What goes around, goes around, goes around, don't go away, back around

Yeah

Now Girl

I remember everything that you claimed

You said that you were moving on now(on now)

Maybe I should do the same(maybe I should do the same)

The funny thing about that is

I was ready to give you my name

Thought it was me and you baby(baby)

And now, it's all just a shame

That I guess I was wrong

Don't wanna think about it(no)

Don't wanna talk about it(hm)

I'm just so sick about it

I can't believe it's ending this way

Just so confused about it(uh)

Feeling the blues about it(yeah)

I just can't do without ya

Can you tell me is this fair

Is the way it's really going down?

Is this how we say goodbye?

Shoulda known better when you came around

That you were gonna make me cry

Now it's breaking my heart to watch you run around

Cause I know that you're living a lie

But that's ok, baby, cause in time you will find

What goes around, goes around, goes around, don't go away, back around

What goes around, goes around, goes around, don't go away, back around

What goes around, goes around, goes around, don't go away, back around

What goes around, goes around, goes around, don't go away, back around

Yeah

What goes around comes around

Yeahhh

What goes around comes around

You should know that

What goes around comes around

Yeahhh

Yeah  
Yup  
Yup  
Yup(let me paint this picture for ya, baby)  
Yup  
You spend your nights alone  
And he never comes home  
And everytime you call him, all you get is a busy tone  
I heard you found out  
That he's doing to you  
What you did to me  
Ain't that the way it goes  
When you cheated, girl  
My heart bled, girl  
So it go without saying that should let the feeling hurt  
Just a classic case scenario  
Tell is always time  
Girl, you got what you deserved  
And now you want somebody  
To cure the lonely nights  
You wish you had somebody  
That could come and make it right  
But girl, I ain't somebody  
I'm out of sympathy  
See..  
What goes around comes back around  
I thought I told ya  
Hey(hey)  
What goes around comes back around  
I thought I told ya  
Hey(hey)  
What goes around comes back around
