Justin Timberlake, What goes around

Hey Girl

Is he everything you wanted in a man?

You know I gave you the world

You had me in the palm of your hand

So why your love went away

I just can't seem to understand

Thought it was me and you, baby

Me and you until the end

But I guess I was wrong

Don't wanna think about it(uh)

Don't wanna talk about it(uh)

I'm just so sick about it

I can't believe it's ending this way

Just so confused about it(uh)

Feeling the blues about it(yeah)

I just can't do without ya

Tell me is this fair

Is the way it's really going down?

Is this how we say goodbye?

Shoulda known better when you came around

That you were gonna make me cry

It's breaking my heart to watch you run around

Cause I know that you're living a lie

But that's ok, baby, cause in time you will find

What goes around, goes around, goes around, don't go away, back around What goes around, goes around, goes around, don't go away, back around

What goes around, goes around, goes around, don't go away, back around What goes around, goes around, goes around, don't go away, back around

Yeah

Now Girl

I remember everything that you claimed

You said that you were moving on now(on now)

Maybe I should do the same(maybe I should do the same)

The funny thing about that is

I was ready to give you my name

Thought it was me and you baby(baby)

And now, it's all just a shame

That I quess I was wrong

Don't wanna think about it(no)

Don't wanna talk about it(hm)

I'm just so sick about it

I can't believe it's ending this way

Just so confused about it(uh)

Feeling the blues about it(yeah)

I just can't do without ya

Can you tell me is this fair

Is the way it's really going down?

Is this how we say goodbye?

Shoulda known better when you came around

That you were gonna make me cry

Now it's breaking my heart to watch you run around

Cause I know that you're living a lie

But that's ok, baby, cause in time you will find

What goes around, goes around, goes around, don't go away, back around

What goes around, goes around, goes around, don't go away, back around

What goes around, goes around, don't go away, back around

What goes around, goes around, goes around, don't go away, back around

Yeah

What goes around comes around

Yeahhh

What goes around comes around

You should know that

What goes around comes around

Yeahhh

What goes around comes around

You should know that

Don't wanna think about it(no)

Don't wanna talk about it(hm)

I'm just so sick about it

I can't believe it's ending this way

Just so confused about it(uh)

Feeling the blues about it(yeah)

I just can't do without ya

Tell me is this fair

Is the way it's really going down?

Is this how we say goodbye?

Shoulda known better when you came around(shoulda known better)

That you were gonna make me cry

It's breaking my heart to watch you run around(now it's breaking my heart)

Cause I know that you're living a lie

But that's ok, baby, cause in time you will find

What goes around, goes around, goes around, don't go away, back around (what goes around comes around, baby)

What goes around, goes around, goes around, don't go away, back around (what goes around comes around, baby)

What goes around, goes around, goes around, don't go away, back around What goes around, goes around, goes around, don't go away, back around Yeah

quY

Yup

Yup(let me paint this picture for ya, baby)

Yup

You spend your nights alone

And he never comes home

And everytime you call him, all you get is a busy tone

I heard you found out

That he's doing to you

What you did to me

Ain't that the way it goes

When you cheated, girl

My heart bleeded, girl

So it go without saying that should let the feeling hurt

Just a classic case scenario

Tell is always time

Girl, you got what you deserved

And now you want somebody

To cure the lonely nights

You wish you had somebody

That could come and make it right

But girl, I ain't somebody

I'm out of sympathy

See..

What goes around comes back around

I thought I told ya

Hey(hey)
