## Justin Timberlake, What goes around comes arou

Hey girl
Is he everything you wanted in a man?
You know I gave you the world
You had me in the palm of your hand
So why your love went away
I just can't seem to understand
Thought it was me and you, baby
Me and you until the end
But I guess I was wrong

Don't wanna think about it (uh)
Don't wanna talk about it (uh)
I'm just so sick about it
I can't believe it's ending this way
Just so confused about it (uh)
Feeling the blues about it (yeah)
I just can't do without ya
Tell me is this fair

Is the way it's really going down?
Is this how we say goodbye?
Shoulda known better when you came around
That you were gonna make me cry
It's breaking my heart to watch you run around
'Cause I know that you're living a lie
But that's ok, baby, 'cause in time you will find

What goes around, goes around, goes around, comes all the way back around What goes around, goes around, goes around, comes all the way back around What goes around, goes around, goes around, comes all the way back around What goes around, goes around, goes around, comes all the way back around Yeah

## Now girl

I remember everything that you claimed
You said that you were moving on now (on now)
Maybe I should do the same (maybe I should do the same)
The funny thing about that is
I was ready to give you my name
Thought it was me and you baby (baby)
And now, it's all just a shame
That I guess I was wrong

Don't wanna think about it (no)
Don't wanna talk about it (hm)
I'm just so sick about it
I can't believe it's ending this way
Just so confused about it (uh)
Feeling the blues about it (yeah)
I just can't do without ya
Can you tell me is this fair?

Is the way it's really going down?
Is this how we say goodbye?
Shoulda known better when you came around
That you were gonna make me cry
Now it's breaking my heart to watch you turn around
'Cause I know that you're living a lie
But that's ok, baby, 'cause in time you will find

What goes around, goes around, goes around, comes all the way back around What goes around, goes around, goes around, comes all the way back around What goes around, goes around, goes around, comes all the way back around What goes around, goes around, goes around, comes all the way back around

You spend your nights alone And he never comes home And everytime you call him, all you get is a busy tone I heard you found out That he's doing to you What you did to me Ain't that the way it goes When you cheated, girl My heart bleeded, girl So it go without saying that should let the feeling hurt Just a classic case scenario Tale as old as time Girl, you got what you deserved And now you want somebody To cure the lonely nights You wish you had somebody That could come and make it right But girl, I ain't somebody I'm out of sympathy See...
