

# Justin Timberlake, What Goes Around Comes Ba

Hey girl(girl)  
is he everything you wanted in a man?  
You know I gave you the world(world),  
You had me in the palm of your hand  
So why your love went away?  
I just can't seem to understand  
Thought it was me and you baby...  
Me and you until the end, but I guess I was wrong

Don't wanna think about it, don't wanna talk about it  
I'm just so sick about it, Can't believe it's ending this way  
Just so confused about it, feeling the blues about it  
I just can't do without ya, tell me is this fair?

This is the way it's really going down  
Is this how we say goodbye?  
I should've known better when you came around  
That you were gonna make me cry  
It's breaking my heart to watch you run around  
Cause I know that you're living a lie  
But that's okay baby cause in time you'll find...

What goes around, goes around, goes around, comes all the way back around  
What goes around, goes around, goes around, comes all the way back around  
What goes around, goes around, goes around, comes all the way back around  
What goes around, goes around, goes around, comes all the way back around

Now girl, I remember everything that you claimed  
You said that you were moving on now (now)  
And maybe I should do the same (maybe I should do the same)  
Funny thing about that is, I was ready to give you my name  
Thought it was me and you baby and now it's all just a shame  
And I guess I was wrong...

Don't wanna think about it, don't wanna talk about it  
I'm just so sick about it, I can't believe it's ending this way  
Just so confused about it, feeling the blues about it  
I just can't do without ya, tell me is this fair?

This is the way it's really going down  
Is this how we say goodbye?  
I should've known better when you came around  
That you were gonna make me cry  
Now it's breaking my heart to watch you run around  
Cause I know that you're living a lie  
But that's okay baby cause in time you'll find...

What goes around, goes around, goes around, comes all the way back around  
What goes around, goes around, goes around, comes all the way back around  
What goes around, goes around, goes around, comes all the way back around  
What goes around, goes around, goes around, comes all the way back around

What goes around, comes around (comes around) yeaaaaaah  
What goes around, comes around (comes around) yeaaaaaah  
You should've known that...  
What goes around, comes around (comes around) yeaaaaaah  
What goes around, comes around (comes around) yeaaaaaah  
You should've known that...

Don't wanna think about it, don't wanna talk about it  
I'm just so sick about it, I can't believe it's ending this way  
Just so confused about it, it'll end up in the news about it  
I just can't do without ya, tell me is this fair?

This is the way it's really going down  
Is this how we say goodbye?  
I should've known better when you came around  
That you were gonna make me cry

It's breaking my heart to watch you run around  
Cause I know that you're living a lie  
But that's okay baby cause in time you'll find...

What goes around, goes around, goes around, comes all the way back around  
What goes around, goes around, goes around, comes all the way back around  
What goes around, goes around, goes around, comes all the way back around  
What goes around, goes around, goes around, comes all the way back around

Yup, yup, yup  
Let me paint this picture for you baby, yup  
You spend your nights alone  
And he never comes home  
And every time you call 'em  
All you gets a busy tone  
I heard you found out what he's doing to you  
What you did to me, ain't that the way it goes?  
When you cheated girl, my heart bled girl  
So it goes without saying "you left me feeling hurt"  
Just a classic case, it's a sce-sce-scenario  
Tale as old as time, girl you got what you deserved  
And now you want somebody to cure the lonely nights  
You wished you had somebody that can come and make it right  
Well girl I ain't somebody and not a sympathy (see, see)

What goes around, comes back around  
I thought I told ya, hey eyyy  
What goes around, comes back around  
I thought I told ya, hey eyyy  
What goes around, comes back around  
I thought I told ya, hey eyyy  
What goes around, comes back around  
I thought I told ya, hey eyyy  
What goes around, comes back around  
I thought I told ya, hey eyyy  
What goes around, comes back around  
I thought I told ya, hey eyyy

(Take it to 'em eyy..)  
Haha..  
(Take it to 'em eyy..)  
(Hey, hey, hey..)  
See, you should've listened to me baby  
(Take it to 'em eyy..)  
(Hey, hey, hey..)  
(Take it to 'em eyy..)  
(Hey, hey, hey..)  
Because... what goes around, come back around  
Haha...
