

Justus Bennetts, Better When I'm Crazy

im better when i'm crazy
trippin in a daydream
ain't nobody here gonna kill my vibe

gettin cloudy in my space whip
flying with my favorite
middle of the night on the 405

shoot all my shots i don't care if i miss
you get what you give when you don't give a shit
i was down bad now im doing
better

better when i'm crazy

stuck in a bad way
gotta switch it up from the home base
i don't really fuck with the fung shuei

i was sitting in the corner
with my head in california
made me sick when i woke was normal
now i'm

im better when i'm crazy
trippin in a daydream
ain't nobody here gonna kill my vibe

flying with my favorite
