

# Justyna Sumara, Last Hope

It's about time you got up  
You're a bit above yourself, my dear  
It was a race against the clock  
I knew all along that we would win  
It's difficult watching us fade  
Knowing it's all your fault, your mistake  
ohh yee...  
We are always at odds  
Why? I don't know  
You beat your brains out to get the answer  
I know about all the problems  
But what is the bottom line?  
I made a bad investment  
But I broke even  
Now I know...  
There were bad days  
But it was a pleasant experience by and large  
Please call of your dogs  
I plan to resign anyway  
I think that we can clear this matter up without hesitate  
Just do your best  
That's all I can ask of you.  
We are always at odds  
Why? I don't know  
You beat your brains out to get the answer  
I know about all the problems  
But what is the bottom line?  
I made a bad investment  
But I broke even  
Now I know...  
How you feel?  
I don't know and for that matter I don't care  
I don't think you understand what I said  
Let me be alone  
We are always at odds  
Why? I don't know  
You beat your brains out to get the answer  
I know about all the problems  
But what is the bottom line?  
I made a bad investment  
But I broke even  
Now I know...
