

JVKE, this is what heartbreak feels like

Pretty little liar
Whatchu gonna say
Tell me that you love me
Lying to my face
i know you double crossed me
girl you're such a fake
What a shame
Guess my lover was a snake

Yes I Feel like i'm choking'
Breakin up cuz we already broken
Snake emoji on my phone when you callin
cuz our Love Doesn't 'feel like falling'

Hiding your phone when you're sleeping
Stayin out late on the weekend
Deep down I knew u were cheating
But I didn't wanna believe it

When i Cry myself to sleep
I see you in my dreams
I can't breathe
'Bout to hyperventilate

Hiding your phone when you're sleeping
Stayin out late on the weekend
Deep down I knew u were cheating
But I didn't wanna believe it

I'm busy fighting my demons, you were so deceiving' messin wit my feelings
You were my garden of eden, now i'm leaving
