

# K-Ci & JoJo, I Wanna Make Love To You

Either you're with me or against me  
Tell me what you wanna do  
Do you wanna be with me?  
Baby, you're looking so good tonight  
I can't control myself  
I wanna take you home with me  
And lay you on your back  
Take off all your clothes  
Make love to you like you've never, ever known  
And I'mma take my time  
And give it to you right  
I wanna make love to you all night

[1] - I just wanna make love to you  
But we got to do it right  
I just wanna make love to you  
I don't wanna fuss and fight

I just wanna make love to you  
But we got to do it right  
I just wanna make love to you  
I don't wanna fuss and fight

Twenty-four seven, three-sixty-five days of the year  
All I wanna do is just have your body near  
All I wanna do is do you so right  
All I wanna do is make love to you all night

Twenty-four seven, three-sixty-five days of the year  
I'll do anything to have your body here  
Let's fly high, like the bird we call a Dove  
Let's fly high when we're makin' love

[Repeat 1]

[JoJo] Baby, you're lookin' so good  
[Rose] You look so nice  
[JoJo] Do you wanna dance?  
[Rose] Boy, I don't mind  
[JoJo] Take my hand and follow me  
[Rose] I thought that you would never ask me  
[Both] Let's dance the night away

[JoJo]  
You're gonna think that we are makin' love on the dancefloor  
I'm gonna do so many freaky things to you  
I'm gonna hold you so close  
Grind on you real slow  
I'm gonna make you wanna get your coat and come on home with me

[Repeat 1]

I just wanna make love to you
