

# K-Ci & JoJo, Love Me Carefully

1-Love is truly something  
It's the one thing we can't live without  
Makes you think you're invincible  
Makes your heart feel so unbreakable  
But you know love can hurt  
So love me carefully  
Just be true to me  
Love me honestly  
'Cause we know sometimes  
Love can be done so painfully  
So at the end of the day, all I want  
Is you to love me  
Carefully

2-My past brought a ending  
Didn't think I'd ever love again  
Then you came in my life  
And you made everything seem right  
So this time around I'm asking and beggin' you please

{Chorus}

Two hearts sharing something  
So incredible, so unpredictable  
I'll take care of you  
So take care of me  
I'll be there for you  
You be there for me  
Then we can love each other faithfully  
Oh, so carefully

{Chorus}

Love me  
Love me  
But we know, oh  
Sometimes love can be done so painfully  
At the end of the day for the rest of my life  
All I want is for you to love me carefully, ooh, oh  
Love me carefully, baby
