

# k.d. lang, Hush Sweet Lover

(K.D. Lang/Teddy Borowiecki)

Hush sweet lover, hush  
And gently hold me in your trust  
Lay down your walls  
Let me love you with lust

Hush sweet lover, hush  
And gently fold me in your touch  
I beg of you hush, lover hush

Fall sweet lover, fall  
Fall, giving me all  
All you can give  
Lover please give me all

Hush sweet lover, hush  
And gently sway this waking crush  
Soothe my desire  
And my wanting you so

Hush sweet lover, hush  
And gently stay within our trust  
I beg of you hush, lover hush

I'm willing to fall  
I'll give you my all  
All I can give  
I'll give my all

Hush sweet lover, hush  
And gently fold me in your touch  
I beg of you hush, lover hush  
I beg of you hush, lover hush  
I'm begging you hush, lover hush
