

k.d. lang, Save Me

(K.D. Lang/Ben Mink)

Save me
Save me from you
But pave me
The way to you
Lead me upon the captive free
Gracious and tame like love can be
Lead me upon

Spoil me
Spoil me with you
And soil me with the world of you
Watch over me with a mother's eyes
Judging my worth only to glorify
Watch over me

Save me save me
Save me save me
Carry
Carry me through
And bury all my doubts of you
Clothe my desire with spell or prayer
I'll shroud every sign of need I swear
Clothe my desire

Save me save me
Save me save me
Save me save me
Save me save me
Save me save me
