

# k.d. lang, This

With all good intent  
I come running  
To give you a world  
Full of me  
And if then you find  
There is one thing  
The one thing you want  
I can be

You ask me to find  
You an answer  
Of what you and I  
Could be  
And if there in fact  
Is a chance here  
This could be love  
Indeed

Believe in this  
Believe in this  
Believe in this  
Believe in this

With all good intent  
I'll keep running  
To give you a world  
Full of me  
And if then you find  
There is one thing  
The one thing you want  
This I'll be
