

K'naan, Abc's

Bundle up my whole style is so cold
I glow like old guys who go bald
My flow got no front in the vocal
Your flow got no button its so old
I don't mean to sound like a showboat
But it's true my persona's no joke
I stepped into some kinda portal
I'm legend and sometimes I'm noble
I'm from the most risky zone - oh
No place is more shifty global
More pistols, Russian revolvers
We shootin' all that is normal
But it ain't just because we want to
We ain't got nowhere we can run to
Somebody please press the undo
They only teach us the things that guns do

Chorus

They don't teach us the ABCs
We play on the hard concrete
All we got is life on the streets
All we got is life on the streets

(repeat)

(Chubb Rock)

Rock, you know my era
B-boy seasoning, salt -n- pepa
Grown and sexy, come with the extra
Crushed up linen, fly like sess-a
This type brew I gave it birth
Now it's time again to give it a verse
Jamaican born, not a fan of the ganja

_____ Brooklyn to Somalia

And it goes in the background

Playa, that is my sound

The green doesn't symbolize I made it on the top
Pioneer legend, and they call me Mr. Rock
No B word or N word, I don't need those words (no)
Respect for hers

The game dried up, so we come with the grease
Leadin' ya right and treatin' ya right, so peace

Chorus

Superman is known by the locals
As this dude who's so fly it's global

Attitude that came outta struggle

Destitute but I make it hopeful

You real, but my real is tenfold

My real'll make yours a rental

Gangsta if at ease, essential

Fight with guns or utensils

So bold nothin's confidential

Breakfast was not continental

And lunch could not compliment all

We still become competent souls

These streets ain't paved with no gold

Matter fact someone stole the light bulb

Nobody fat enough for lypo

They don't teach us to read and write, so...

Chorus
