K's Choice, All

Is there anything you want from me My arms, my life, my energy I don't know how far I can go Everything says no But you know how it goes when You're used to your side of the bed

I know you don't belong in this room But you're here now So what can I do

All that I am is All I was taught to be All that you are is A wall between myself and me

Have you ever really looked at me Or thought about me secretly Do I make you wonder at all About the speed of light Outside our little world we might not Feel so alone and

I know you don't belong in this room But you're here now So what can I do

All that I am is All I was taught to be All that you are is A wall between myself and me

All that I am is All I was taught to be All that you are is A wall between myself and me
