

# Ka'au Crater Boys, Still The One

We've been together since way back when,  
and sometimes I never want to see you again  
But I want you to know, after all these years  
That you're still the one I want whispering in my ears.  
You're still the one I like to talk to in bed, still the one that turns  
my head  
We're still having fun, and you're still the one

Well I look at your face everyday, and I never seen it til it went  
away  
When winter came, I just wanted to go,  
Back to a desert, how I yearned for the snow  
You're still the one that makes me laugh, still the one that's  
my better half  
We're still having fun, and you're still the one  
You're still the one that makes me strong, still the one I wanna  
take along  
We're still having fun, and you're still the one

You're still the one that I love to touch, still the one, and I can't  
get enough  
We're still having fun, and you're still the one  
You're still the one who can scratch my itch, still the one, and  
I wouldn't switch  
We're still having fun, and you're still the one  
You're still the one that makes me shout, still the one that I  
dream about  
We're still having fun, and you're still the one  
We're still having fun, and you're still the one
