

# Kaci, Our First Kiss

hey, yeah  
will i close my eyes  
will i hold my breath  
will i wanna cry  
will our souls connect  
I've been thinkin about it when I go to bed  
at night night i wonder, wonder  
will you hold my hand, will you speak of love  
will the stars be shining in the skies above  
will it be all that I've been dreaming of  
For so long  
Holding on

our first kiss won't be the last our love's to deep to end that fast  
and good things come to those who have wait  
I believe it's only time  
that keeps us from the thing divine  
and when it's here you know im gonna say  
lay it on my lips

will it taste like candy will it be that sweet  
will our hearts be racing to a heavenly beat  
will the moment sweep me off my feet  
and draw me under, under  
will i tremble , trembe will I beg for more  
will it be like anything i've never felt before  
will we be down for a little more  
one thing I, I know for sure

our first kiss won't be the last our loves to deep to end that fast  
and good things come to those who have to wait  
I believe it's only time  
that keeps us from the thing divine  
and when its here you know im gonna say  
lay it on my lips  
our first kiss won't be the last our love's to deep to end that fast  
and good things come to those who have to wait  
I believe it's only time  
that keeps us from the thing divine  
and when it's here you know im gonna say  
lay it on my lips

I can picture it all inside my head just how it's going to be, but a girl can  
only dream so much now she wants to make it real, make it real

break it down

our first kiss won't be the last our loves to deep to end that fast  
and good things come to those who have to wait (wait for me)  
I believe it's only time  
that keeps us from the thing divine  
and when its here you know im gonna say (you know i'm gonna say)  
our first kiss won't be the last our loves to deep to end that fast  
and good things come to those who have to wait  
I believe it's only time  
that keeps us from the thing divine  
and when its here you know im gonna say (gonna say now)  
ooh!  
our first kiss won't be the last our loves to deep to end that fast  
and good things come to those who have to wait  
I believe it's only time  
that keeps us from the thing divine  
and when its here you know im gonna say  
lay it on my lips
