Kaiser Chiefs, Hessles

Him instead of me Him instead of me Cause I'm out of my head The streets are a mess

Here in sympathy Live in fear of me Cause I'm out of my head I know your address

Livin' in the hessles Livin' in the hessles

Kill me in my sleep Kill me in my sleep

Cause I'm out of my head I'm awake in my bed

Livin' in the hessles Livin' in the hessles

Cause I'm out of my head And I'm out of my breath

Livin' in the hessles Livin' in the hessles

Livin' in the hessles Livin' in the hessles Livin' in the hessles Livin' in the hessles Livin' in the hessles Livin' in the hessles Livin' in the hessles Livin' in the hessles
