

Kaiser/Mansfield, Wonderful God

He is the rock of my life
The crown of my head
The light of my soul
and He sure ain't dead
He's God Almighty
and you got to know
He's comin' back
to claim His own
Oh, you can't outlove Him
No, you can't outgive Him
And you can't outlive Him
No, you can't outlove Him
He's a wonderful God!
I remember the night
He spoke my name
I fell to my knees
And confessed my shame
Yeah, the blood of the Saviour
Took it all away
Aaaah, it won't be long
Before we'll see His face!
