

# Kaiser/Mansfield, Wonderful God

He is the rock of my life  
The crown of my head  
The light of my soul  
and He sure ain't dead  
He's God Almighty  
and you got to know  
He's comin' back  
to claim His own  
Oh, you can't outlove Him  
No, you can't outgive Him  
And you can't outlive Him  
No, you can't outlove Him  
He's a wonderful God!  
I remember the night  
He spoke my name  
I fell to my knees  
And confessed my shame  
Yeah, the blood of the Saviour  
Took it all away  
Aaaah, it won't be long  
Before we'll see His face!
