

Kaize Adams, Questions

So many questions
I must ask myself today
I wonder if Jesus thinks
I've done my share
Will I wake in the morning
To find (oooh oooh)
Regrets up on my mind
Will I leave
A trace of Jesus somewhere

So many questions
I must ask myself today
Or what will I leave behind
When life has passed my way

Section B

Will people remember
My name
Or forget me all the same
Will I leave
A trace of Jesus somewhere

Have I been a light
In dark places
Brought a smile
To sad faces (sad faces)
Have I shown the world
That I really care
Have I lived
My life the way
He wants me to
Each and everyday
(each and everyday)
When someone stumbled
Was I there
