Kajagoogoo, Fear of falling

(VERSE 1) Bitter the kiss on the edge of my lips Is the fear of falling Take a chance and prepare to advance On the fear of falling Tremble inside, prepare to collide With the fear of falling (BRIDGE 1) Heads you win, it's in the stars Light you light, show your cards Instrument, do what you do Who're you gonna turn to? (CHORÚS) Fear of falling down, hey I'm falling Fear of falling down, hey we're falling (VERSE 2) Win or lose, odds that you choose On the fear of falling Prophecy touch me tenderly On the fear of falling (BRIDGE 2) Face to face, day to day I look to you, you look away I know you know and I know too Who you're gonna turn to? (REPEAT CHORUS) Fear of falling down, hey I'm falling Fear of falling down, hey we're falling
