

Kajagoogoo, Ooh to be ah

Pick and choose the things you wear
Feel free to look around with no obligation
Times have changed so break new ground
Feel free and take your time
take a little extra time
More time with no obligations.
Clothes in vogue are all the rage
But don't expect too much
they can't perform miracles.
Head to toe disguised again
it's heavy when they say:
We don't perform miracles
no
we don't perform miracles.
Ooh to be ah jetsetter
be ah head start.
Ooh to be ah
ooh to be ah - look at me
Ooh in something new
ooh to be ah.
Cool glossy mags
reveal the facts with a little bit of god
It's usually in the who's who
place your bets
Predict the favourite party of the day
You'll find it in the who's who
who's there
You'll find them in the who's who.
Ooh to be ah jetsetter
be ah head start. . . .
Ooh to be ah jetsetter
be ah head start. . . .
