

# Kalan Porter, She's So Dangerous

She has a smile like a polaroid  
Her body smooth as celluloid  
I wanna run but there's no where to hide  
My heart is beating for you deep down inside

(You know me)  
I see your face inside a picture frame  
The music plays and I'm on the edge  
I'm climbing the walls, my love is on the ledge

I wanna run  
I wanna hide  
She's so dangerous  
She makes me crazy deep down inside  
You can't hide  
(Spent all my money, spent all my time)  
She's so dangerous  
(Come on baby give me time)  
Oohaahh...she's so dangerous

Tell me baby this is love  
I'd take a bullet if push came to shove  
I hope you know my aim is true  
Don't know what I'd do if I didn't have you  
Hot licks  
No more tricks  
I feel the rhythm in my fingertips  
I'm on the floor but I'm touching the sky  
I open my eyes and I'm ten miles high

I wanna run  
I wanna hide  
She's so dangerous  
She makes me crazy deep down inside  
You can't hide  
(Spent all my money, spent all my time)  
She's so dangerous  
(Come on baby give me time)  
She's so dangerous

{Violin}  
(Love me tenderly)  
'Cause I lose myself inside your song  
(Love me tenderly)  
And it feels so right, it must be wrong

She has a smile like a polaroid  
Her body smooth as celluloid  
I wanna run but there's no where to hide  
My heart is beating but my brain is fried

I wanna run  
I wanna hide  
She's so dangerous  
She makes me crazy deep down inside  
You can't hide  
(Spent all my money, spent all my time)  
Shes so dangerous  
(Come on baby give me time)

Hot licks  
No more tricks  
She's so dangerous  
I feel the rhythm in my fingertips

She's so dangerous
