

Kalan Porter, Still

Lady, Morning's just a moment away
And I'm without you once again
You laughed at me
You said you never needed me
I wonder if you need me now

(chorus:)
So many dreams that flew away
So many words we didn't say
Two people lost in a storm
Where did we go?
Where'd we go?

We lost what we both had found
You know we let each other down
But then most of all
I Do Love You
Still!

(Same as chorus)

We played the games that people play
We made our mistakes along the way
Somehow I know deep in my heart
You needed me
'Cause I needed you so desperately!
We were too blind to see
But then most of all
I Do Love You
Still!
