Kalan Porter, Still

Lady, Morning's just a moment away And I'm without you once again You laughed at me You said you never needed me I wonder if you need me now

(chorus:) So many dreams that flew away So many words we didn't say Two people lost in a storm Where did we go? Where'd we go?

We lost what we both had found You know we let each other down But then most of all I Do Love You Still!

(Same as chorus)

We played the games that people play We made our mistakes along the way Somehow I know deep in my heart You needed me 'Cause I needed you so desperately! We were too blind to see But then most of all I Do Love You Still!
