

# Kalapana, When The Morning Comes

went down town to see my little lady  
she stood me up and i stood their waiting  
it'll be alright.. when the morning comes

well now i'm up in the air with the rain in my hair  
got nowhere to go i can go anywhere  
it'll be alright.. when the morning comes

im just passin and i'm not askin that u be anyone but you  
when u come home.. try to come home alone  
its so much better with two

well now im out in the cold and i'm growin old..  
standing here waiting on you  
it'll be alright.. when the morning comes

oooo ooooo oooo ooo  
when the morning comes  
oooo ooooo oooo ooo  
when the morning comes

im just passin and i'm not askin that u be anyone but you  
when u come home.. try to come home alone  
its so much better with two

well now i'm out in the cold and i'm growin old..  
standin here waitin on you..  
it'll be alright.. when the morning comes

oooo ooooo oooo ooo  
when the morning comes  
oooo ooooo oooo ooo  
it'll be alright.. when the morning comes

oooo ooooo oooo ooo  
when the morning comes  
oooo ooooo oooo ooo  
it'll be alright.. when the morning comes'
