

Kalle Baah, I Wanna Be The One

If I ain't got you, I've got nothing at all
Why can't you understand
Just give me a chance, just give me a call
Just reach me your hand

I've got plans for you, I've got plans for me
Gonna take you away
I'll make your dreams come true, just wait and see
Gonna make you stay

I wanna be the one
With you under my shelter
I wanna be the one

I've been watching you for a long long time
Your body makes me blind
I wrote a song for you, hope It's not in vain
You must always stay the same

I wanna be the one
With you under my shelter
I wanna be the one
