

# Kalwi & Remi, Africa (ft. Gattas)

Hold me, baby love me  
Like the Africa  
Under the stars  
Waiting for a journey  
Gonna take you there  
Where the wildest dreams  
Hold me, baby love me  
Like the Africa  
Under the stars  
Waiting for a journey  
Gonna take you there  
Where the wildest dreams  
Let's feel it again  
Again, again, again?
