

Kamelot, Can You Remember

"Hey! Woo! Thank you! Okay, we're gonna slow it down for a bit now.
This is a song about a girl that might have forgotten me by now.
But I hope we will meet again some time in the future."
A flame within my heart has died
This a song, it's song with no reprise
Today I just don't know why
What we had and what we shared, so divine
Sunrise in Osaka, but I'm cold tonight
The northern lights are shining, and my dreams take flight
Can you remember? Tell me how far I have to go
Can you remember lust in the eastern skies?
Can you remember when you told me sayonara?
Can you remember me? 'Cause I will never say goodbye
A flame within my heart has died
Too far away, it's too far for me to say
I wish I could turn back time
Is there anyone to blame? Show me the way
Sunrise in Osaka, but I'm cold tonight
The northern lights are shining, and my dreams take flight
Memories are forever, and I see your face
Crying in the distance, 'til we fall from grace
Can you remember? Tell me how far I have to go?
Can you remember lust in the eastern skies?
Can you remember when you told me sayonara?
Can you remember me? 'Cause I will never say goodbye
Can you remember? Tell me how far I have to go
Can you remember lust in the eastern skies?
Can you remember when you told me sayonara?
Can you remember me? 'Cause I will never say goodbye
"Thank you."
