

# Kamelot, Fallen Star

You are my reason to stay  
Even if daylight's a lifetime away  
May the kings and the queens of the dawn  
Remember my name  
As dark as the fallen star  
My song for the children unforgiven

Sometimes the weight of the world's  
Coming over me  
A feeling I can't forget  
Sometimes I find myself caught in a storm  
And my future's a nightmare away  
When I'm dreaming

Sometimes I fear  
I am losing your sympathies  
A liar demands respect  
Sometimes I feel I am losing control  
And feed on the absence of love

Walking this world like animals  
And into the light we're fading

You are my reason to stay  
Even if daylight's a lifetime away  
May the kings and the queens of the dawn  
Remember my name  
As dark as the fallen star  
My song for the children unforgiven

Sometimes I'm lost in the silence of empathy  
A moment I can't reflect  
Sometimes I feel like I'm losing control  
And feed on the essence of hate

Walking this world like animals  
And into the dark we're wading

You are my reason to stay  
Even if daylight's a lifetime away  
May the kings and the queens of the dawn  
Remember my name  
As dark as the fallen star  
My song for the children unforgiven

Somewhere in time  
A story seldom told  
Somewhere in history  
Our destiny behold...

In the dead of the night I'm just a corpse  
Awoken the enemy sleeping inside  
In the eye of the storm we're just the same

'cause you are my reason to stay  
Even if daylight's a lifetime away  
May the kings and the queens of the dawn  
Remember my name  
As dark as the fallen star  
My song for the children unforgiven  
My song for the lost  
My song for the children unforgiven
