

Kamelot, Farewell

winter's close... and the mountain high
i'll start my journey now
on this planet we call earth we belong
i want to know
why did god make me feel
there is more to be answered
maybe god cannot remedy
our souls if he tried
i seek peace of mind at least
and to know i did my best
i will pray for those i have loved
i must take my farewell
carried by destiny
bound to obey
i must take your farewell
trails of discovery
lead me an ocean away
no one holds the only truth in his hands
so who am i
to defy even god
in quest for a reason
there's no time to waste i'm afraid
i must take my farewell
carried by destiny
bound to obey
i must take your farewell
trails of discovery
lead me an ocean away
so far away
when the tide is high
i won't dwell or wait no longer
