Kamelot, Fire Within

Take a look into the crystal Take a look at what the Future may bring All around you is darkness As your shattered soul screams As I stand before the crystal See my life pass before me Stand up straight look into my Eyes tell me what do you see?

Is there no gold at the end Of this rainbow? Is there no hope at the end Of the road? Will there be strength for The dreams that I've lived for Or will I just let go?

Many years have passed me by Many trials of life i've survived stills the head wind blows my way It's getting harder everyday

Is there no gold at the end Of this rainbow? Is there no hope at the end Of the road? Will there be strength for The dreams that I've lived for Or will I just let go?

The fire within is smoldering The waters of life are raging In Once there was passion Desire to win
