

# Kamelot, March Of Mephisto

""English translation: ""

aspirat primo fortuna labori    ""The fortune is smiling at our first effort, ""  
me duce tutus eris    ""let me lead you and you will be safe, ""  
vox populi vox dei    ""the voice of people, voice of god ""  
ad maiorem dei gloriam...    ""for bigger glory of the god ""  
ad infinitum    ""to the infinity. ""

You know just who I am  
Don't be so distant  
Cause when you're lost  
I am solely there to share your grief

Wailing for your sorrow  
Is only my way to comfort you  
Reminders of innocent youth  
Waiting for morrow you're lonely  
I name your solitude  
I speaketh the truth

Now tell me all about your pain  
Down to the detail  
Don't say it's love  
Your fragile heart feeds my contempt

Wailing for your sorrow  
Is only my way to comfort you  
Reminders of innocent youth  
Waiting for morrow you're lonely  
I name your solitude  
I speaketh the truth

Chase the heathen call  
We belong... you and I  
Unison in all you deny

I am the thorn in your side  
That seeks accomplishment  
Reminding the mortal of death  
I am the spore of your pride  
An angel heaven sent  
The master of all  
I am the urge of the flesh
