## Kamelot, Snow

I never count on yesterday Because the past can also change I'll never give myself away Life is worthwhile on the edge Words sound so hollow in the cold Maybe she's forgotten all

I don't remember how
I felt the night she came
Memories spin around
They flow
Don't want to let her down
Moments disappear like shame...like snow

Signs never told me anything
Nothing I could know for sure
I never knew what she would bring
Or what I am to her today
My words...
Almost swallowed by the snow
Maybe she's forgotten all

I don't remember how
I felt the night she came
Memories spin around
They flow
Don't want to let her down
Moments disappear like shame...like snow

She is the poison in my mind The thorns in my head She has no mountain to be climbed No faults to regret

I never count on yesterday Because the past may not exist I'll never give myself away When there's reason to resist Words draped in crystals melt away

I don't remember how
I felt the night she came
Memories spin around
They flow
Don't want to let her down
Moments disappear like shame...like snow
