

# Kamikazee, Girlfriend

it never even crossed my mind  
that i would fall inlove with you  
you were always there behind me  
but i never looked that way  
friends are friends i looked at them  
nothing more and nothing less  
familiar things you say and do  
seem so strange its not like you

it never even crossed my mind  
that i would fall inlove with you  
you were always there behind me  
but i never looked that way  
funny things that made me laugh  
is when i think about the past  
i never saw it coming  
but when i turn around and you were there

chorus:  
I learned today  
that i need you more each day  
grab on to you  
dont ever let go...  
I learned today  
that i need you more each day  
grab on to you  
dont ever let go...

chorus:  
I learned today  
that i need you more each day  
grab on to you  
dont ever let go...  
I learned today  
that i need you more each day  
grab on to you  
dont ever let go...
